Given the growing choices in three-way *packages*, it's worth doing a little comparison shopping to pick the *best* deal.

We offer CCTV camera installation for both budget and high-end buyers. However, customers ordering budget CCTV installations from us can rest assured that our CCTV Installers supply only top quality products, sourced for their reliability.

This means the individual CCTV camera installation for each site is linked to one central PC and remotely monitored. On screen features include site mapping, motion detection alarms and more.

FREE Estimate and Site Survey in Selected Area in M.M otherwise a Service Charge of Php 500.00 will be charged; S.C is refundable after your purchase.
Installation Charge of Php 1,000.00/Camera
Six (6) Months On-Site Warranty on Parts and Labor
